**BIBLE READING GUIDE**

# A GUIDE FOR YOUR READING PLAN

## Step 1

Find the Scriptures for today in the Bible Reading plan.

## Step 2

Read the passages. Read with an open heart, and Jesus will give you words of encouragement, direction, and correction. (2 Tim. 3:16)

## Step 3

Take time to write down what spoke to you during your reading. We recommend utilizing the SOAP method to help apply what you have read practically in your life. SOAP stands for:

**Scripture** – Read a passage of scripture and write down a verse or two that jumps out to you.

**Observation** – What are your personal observations that you note from this scripture?

**Application** – How does it now apply to your everyday life? What can you do to apply this in your life today?

**Prayer** – Write a personal prayer based on your observation and application.

Remember:

This journal is designed to serve you in your growth with Christ. You can be flexible in using it, but be sure to develop a healthy habit of spending time daily with the Lord.
